This web site contains data and information property of **NANOFORART Project**, supported by the European Commission's Seventh Framework Programme. Such data and information are subject to the following disclaimer for responsibility and copyright.

Disclaimer notice

The information contained in this site do not imply the responsibility of the **NANOFORART Consortium**. Our purpose is to supply reliable scientific information to the members of the national and international scientific community and to whoever could be interested in them. However, if errors are brought to our attention it will be our care to correct them. Anyhow, the **NANOFORART Consortium** does not engage any responsibility for the site material content. This material is constituted by information of general character, result of specific researches, or data coming from the monitoring networks. It is not necessarily complete, accurate and updated. Sometimes it links to specific external sites that are not under the **NANOFORART Consortium's** control and therefore the **NANOFORART Consortium** is not responsible for the contents of any linked Web sites.

Finally, this material is not intended for professional or legal use.

Please note that it cannot be guaranteed that a document available on-line exactly reproduces an official text, therefore only the vision of the hard copy of the document distributed by the **NANOFORART Consortium** is deemed authentic. It is our goal to minimise disruption caused by technical errors and we invite, therefore, the consumers to take all the possible preventive actions to avoid the problem.

This disclaimer is not intended to avoid the obligations of the national laws, nor to exclude its liability for matters that may not be excluded under that law.
